STRENGTHS

-  **Collaborative**
Always keen to share my knowledge, help, discuss, teach and learn from others. Able to collaborate with cross-functional teams to create a high-quality end product.
-  **Result-oriented**
Many confuse progress with moving in the right direction. I always make sure to check if the team is on the right path.
-  **Detail-oriented**
Continuously focused on how to improve my work and do it the best way I can.
-  **Project management and prioritization**
Before starting a new project, I always set time aside to have the entire team go through the tasks, prioritize them and assign a due date to make sure deadlines are promptly met.
